Dear ISWI Participant:

With much pleasure I attach a report from Dr Nat Gopalswamy, who is based at NASA's Goddard Space Flight Center in Greenbelt (the town where I grew up), Maryland, USA.

To other participants of this Bahir Dar ISWI School:  
If you have additional photos, comments, info, etc., concerning this school, please send to me for newsletter distribution. All newsletter material become part of the permanent record (archives of the ISWI official website).

Holiday cheers !
