-----  
Dear ISWI Participant:

CALLISTO Project celebrates its 1000th recorded solar radio event --- see attached report.

On behalf of the ISWI Newsletter, I congratulate all members of the project, especially Dr. Christian Monstein, who sent to me the attached pdf. Please keep up the fine work.

Good science can only be done with good data. Glory to those who collect good data --- because it takes blood, sweat, and tears. And money and patience.

Humbly yours,  
George Maeda  
The Editor.
