Dear ISWI Participant:

The first attached pdf is a one-page explanation. It explains how you can view the presentation files for most of the talks delivered at the "2012 UN/Ecuador Workshop on ISWI".

(2)  
As editor of this newsletter, I wish to bring to your attention this particular talk from the Quito Workshop:

by (1) Dimitar Danov, Bulgarian Academy of Sciences, Bulgaria, and (2) George Maeda, ICSWSE, Kyushu University, Japan.  
It was presented at 3:15 PM on the first day of the workshop. The first five pages of this talk are attached; the rest of it can be viewed by downloading it from the ISWI website -- see the aforementioned "explanation pdf" for the method.
