Dear ISWI Participant:

There are two information items today:

-----(1)  
 Based on the first UN/Austria Symposium on Space Weather (Graz, Austria, 2012) the second UN/Austria Symposium on Space Weather (Graz, Austria, 2013) is now being organized. Please have a look at the website for this event:  
 : <http://www.unoosa.org/oosa/en/SAP/act2013/graz/index.html>  
 This event is hosted and co-sponsored by the Government of Austria, the State of Styria and the City of Graz and co-sponsored by European Space Agency (ESA). Dates: 16 - 19 September 2013.  
 Venue: Space Research Institute of the Austrian Academy of Sciences

-----(2)  
 Please find attached the announcement for "AGU Joint Prize for Space Weather and Nonlinear Waves and Processes Prize". The prize consists of a \$10,000 monetary prize, an announcement in Eos, and an award plaque presented at the AGU Fall Meeting in San Francisco during the award presentation year. The prize is made possible through the generosity of AGU members, Bruce T. Tsurutani and Olga P. Verkhoglyadova.

## Announcing the AGU Joint Prize for Space Weather and Nonlinear Waves and Processes Prize

- **Deadline: 15 June 2013**
- The prize consists of a \$10,000 monetary prize, an announcement in Eos, and an award plaque presented at the AGU Fall Meeting in San Francisco during the award presentation year. The prize is made possible through the generosity of AGU members, Bruce T. Tsurutani and Olga P. Verkhoglyadova.

**In 2013, the award recognizes an individual for their scientific contribution to the field of space weather** (the 2015 award will recognize an individual for their scientific contributions to nonlinear waves and processes); the contribution can take the form of a single significant and cutting-edge project or a lifetime of achievement

- Eligible nominees must be current AGU members working in the field of space weather
- For more information and eligibility requirements see:
