Dear ISWI Participant:

Last month, in Vienna, the ISWI Steering Committee convened a meeting at the United Nations Office in Vienna, Austria. I attended it on behalf of my boss, Prof. K. Yumoto, who is a member of this committee.

I attach a collage or montage of photos based on my trip to Vienna to attend this meeting. This collage gives you a feel for what this meeting was like. (It was, in a word, very nice. There is some great food in Vienna.)

As for what was discussed during this meeting, this will be the subject for a a future issue of this newsletter.

Faithfully yours,
