Dear ISWI Participant:

) Please note that the ISWI Newsletter will be closed from
) August 28 to September 28 because the editor (me) will
) be Indonesia. First, to install three magnetometers
) in Sumatra (til Sept 14), then, second, to attend the
) "2012 ISWI and MAGDAS School on Space Science" in Bandung.

As you know, the official ISWI website is this:

:
: <http://www.iswi-secretariat.org/>
:

It is maintained by the Bulgarian Academy of Sciences by Mitko.

On 19 August 2012, one page of it was updated to reflect the expansion of ISWI instrument arrays. I attach that one page. However, note that this Distribution Map is constantly in flux so please visit the ISWI website from time to time to see the latest status of instrument deployment under ISWI. If you see an error, please inform Mitko (email: mitkodanov[at]abv.bg).

Faithfully yours,
