: Re:  
: ISWI followers forum ( new! )  
:

Dear ISWI Participant:

Recently, Michael Danielides (National ISWI coordinator for Germany)  
created a discussion group on the platform  
:  
: <http://www.linkedin.com>  
:

The group name is  
"International Space Weather Initiative (ISWI) followers forum".

We think that this forum is suitable for a variety of informal  
ISWI-related discussions. You can reach more people than using private  
email correspondences, yet it is not so formal as the ISWI Website  
or ISWI Newsletter -- both of which are conducted on a more  
official level.

So we invite you to join "ISWI followers forum" group on LinkedIn.

Sincerely,  
Mitko Danov  
- WEB-admin of www.iswi-secretariat.org  
George Maeda
