

SERC home page (screen shot):

www.serc.kyushu-u.ac.jp

available in English and in Japanese (switchable).

The screenshot shows the SERC home page with a left sidebar menu and a main content area. The sidebar menu includes sections like 'Project and Research', 'Space Weather Information', 'Data Service', and 'Misc.'. The 'Misc.' section contains links such as 'MAGDAS Newsletter', 'only member', 'Link', 'MAGDAS Session (Cairo, 2010)', and 'MAGDAS School (Lagos, 2011)'. The 'MAGDAS School (Lagos, 2011)' link is highlighted with a red box. A red arrow points from this link to a yellow box containing the text 'Material from "MAGDAS School, Lagos, 2011"'. The main content area features a pink banner with news, a photo of the 'FM-CW Radar Kamchatka, Russia', and a right sidebar with logos for ISWI, IHW, and IUGONET.

Project and Research
