Dear PI:

The attached pdf is a "screen shot" taken from the official ISWI website maintained by the Bulgarian Academy of Sciences for the benefit of the entire ISWI. It was taken today.

The ISWI Secretariat urgently seeks to have all the details in this information updated; please review it now. If there is any error, please contact me immediately. My email address is given above in the header frame.

I will forward your comments to the website management so that this information is freely available to the entire ISWI community and, more importantly, is accurate and correct. We especially would like you to confirm your postal addresses and email addresses for correctness. We would appreciate your help on this matter.

Respectfully yours,

```
