 : UN/Nigeria Workshop on ISWI  
 : \*\*\* Reminder \*\*\*  
 :

Dear ISWI Participant:

If you have not yet visited <http://www.iswinigeria.org.ng/>, please visit it soon. I attach the Front Page of it as pdf (please forward it to colleagues who may have an interest in it).

There is a major dead line coming up: Application for travel support. The dead line is 01 June 2011. If you want to attend and you need travel support, then I recommend some haste.

These ISWI workshops are the "flagship" events of ISWI, and there are only three scheduled to take place during ISWI. When you are old and gray, you can tell your grandchildren that you contributed to the launch of Space Weather as an international enterprise --- i.e., you helped to break ground for this enterprise.

- These are all the major dead lines for this workshop:
- \_ Registration deadline: 30th June 2011
  - \_ Abstract Submission deadline: 30th June 2011
  - \_ Application for travel support deadline: 1st June 2011
  - \_ Notification for Financial Support: 1st August, 2011
  - \_ Workshop: 17th-21st October 2011

I hope to meet you in Abuja.

Humbly and cordially yours,  
 : George Maeda
