Dear ISWI Participant:

I attach it.

Incidentally, I am soliciting comments from workshop participants. If you have some comments and photos that you would like to share with the ISWI community, please compile neatly and send to me for newsletter circulation.

Personally I would like to thank the entire Nigerian LOC for the huge effort they put into organizing this workshop. I am sure it was a lot of blood, sweat, and tears.

Indeed, I bring to your attention the photo of Dr Katya Georgieva (Bulgarian Academy of Sciences). The photo is in the top row of the attached collage -- third from the right. In this photo, at the end of the Closing Ceremony, she is expressing thanks to the LOC on behalf of all workshop participants. Because, she, too, knows the demanding task of organizing an IHY/ISWI workshop (UN/ESA/NASA/JAXA Workshop on IHY 2007, 2-6 June 2008, Sozopol, Bulgaria).

Warm regards,
